REGULATIONS RELATED TO INDUSTRY ACTIVITIES

PROMOTION OF MEDICINAL PRODUCTS
According to the Swiss Federal Act on Medicinal Products and Medical Devices (Therapeutic Products Act, TPA) of 15 December 2000 (Status as of 1 January 2014) based on Article 95 paragraph 1 and Article 118 paragraph 2 of the Federal Constitution, and having considered the Federal Council Dispatch dated 1 March 1999, the advertising of all types of medicinal products should be directed exclusively at persons who are able to prescribe or dispense them.

As the event will take place in Geneva, Switzerland, and a multidisciplinary audience will be attending the 26th EADV Congress, the EADV will assign different badges to Healthcare Professionals (HCP) and NON-Healthcare Professionals (NON-HCP) to ensure compliance with the above regulations.

The Code of Conduct of the Pharmaceutical Industry in Switzerland of December 4, 2003, revised on September 6, 2013 (As per: 1 November, 2014) defines Healthcare Professionals as:

“Physicians, dentists and pharmacists who are working in particular in a practice or hospital, together with pharmacists active in retail businesses, and persons who are authorised by Swiss law on therapeutic products, to prescribe, deliver or use prescription-only medicinal products for humans.”

EXHIBITION AREA & INDUSTRY SESSION ACCESS
Access to the industry Exhibition area will be restricted to Healthcare Professionals (HCP) as described above. In addition, Satellite Symposia and Meet-the-Expert sessions presenting data or research of prescription medicines will be limited exclusively to Healthcare Professionals (HCP) only.

Students, Press and Patient Organisation Representatives will not be permitted entry to the exhibition area, satellite symposia and meet-the-expert sessions, and will automatically be classified as NON-Healthcare Professionals.

ADVERTISING
Satellite Symposia and Meet-the-Expert sessions presenting data on the development, research or other issues related to prescription medicine will be restricted to Healthcare Professionals and Industry staff only. All promotional flyers and marketing ads related to these industry sessions should be strictly limited to HCPs only. Delegate badges will be controlled before entry into these sessions.
